

Give Sacrificially...

Participate in the Malawi Lenten Offering

The Christians in Malawi give sacrificially to bring the Gospel into even the most remote villages in their country. Our challenge this Lenten Season is to join with them in their sacrificial giving. There are many ways to participate in this mighty work the Lord is doing in the country of Malawi.

- + Pray for our brothers and sisters in Malawi and the work that they are doing to bring the love of Jesus to even the most remote villages.
- + Consider giving up something like Starbucks or eating out this Lenten Season. Use the money you would have spent to bless our friends in Malawi.
- + Wrap this band around a jar or other container at home and let it be a daily reminder to pray and give sacrificially.
- + Consider a gift to Malawi throughout the rest of the year. Pray about becoming a Malawi 500 Partner. Families, prayer groups, or individuals can pledge \$50 a month to the church in Malawi. You can go to www.fworldmission.org and get a Malawi 500 form.

There will be a Diocesan wide ingathering of these gifts on Easter Sunday.

**100% of all contributions go to Malawi.
No administrative costs are deducted.**

Checks can be made payable to:
The Episcopal Diocese of Fort Worth
