 Telling the Story Together - Where do You and Your Church
 Fit In?
 Mr. Ray Howard

- Do your everyday responsibilities seem disconnected from a greater purpose
- Ever wonder what legacy you are leaving for your family and the world?
- Are you just too overwhelmed by life to respond to people in need?

Find the joy in being who God created you to be and taking your part in his plans. Jesus is creating worshippers and followers from every people and culture. God is bringing all things in heaven and on earth together under one head. Discover the purpose for the times, places, people, and cultures that God created.

He wants you to be part of making history. PathLight is an exciting five-week interactive experience which will help you discover God's heart for the people of the world and how your gifts, passions, and abilities align with his purposes.

It explores questions such as:

- What does the Bible say about God's intention to reach all nations with his blessing?
- How did the kingdom of God advance from Jerusalem to where we are today?

- What is God doing in our generation, and how can believers in each parish, diocese and province be part of his plan?
- What does the diversity of cultures mean for the expansion of God's kingdom?
- How can the worldwide Christian church work together to increase effectiveness for the kingdom?

"It gave me new thoughts about presenting the value of missions to others."

-2008 PathLight Participant

"I liked that churches are looking at themselves and realize change can and must take place to affect the world we live in for Christ. I'm excited to be a part of this!"

-2008 PathLight Participant

"I would recommend PathLight to anyone. It smashed the 'glass house' of what I thought mission was."

"PathLight showed us the road...one that others have traveled before us and we are being called to walk down now."
